## Applications

Leaf & Debris Removal

Litter Removal

## KD Lawn Vacuums

### Power

5.0 HP Briggs & Stratton or 5.5 HP Honda GCV engines gives this unit all the power it needs.

### It's in the Bag

Large capacity for leaves, thatch, grass clippings or litter. The additional hard bottom prevents premature wear.

### 27" Nozzle

High density plastic for low weight and improved airflow.

### 12" Wheels

12" ball bearings for low rolling resistance on uneven terrain.

## Our Most Popular Vacuum with Unbelievable Suction

- **Simplicity in design** - Easy to use with low maintenance requirements
- **Four-blade steel impeller** - Higher suction power and greater bulk reduction
- **5.0 HP Briggs & Stratton Quantum or 5.5 HP Honda GCV engine** - Professional duty with suction to spare
- **What the pros use** - the KD Lawn Vacuums are our most popular Contractor and Rental vacuums
- **Don't forget the optional on board hose kit** - it really makes the vacuum more versatile on the job

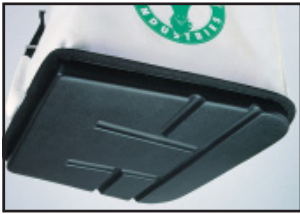

### On Board Hose Kit

(Optional) Part # 890041

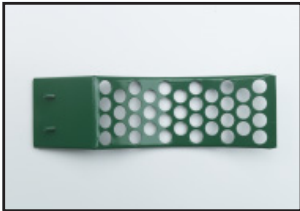

Greatly improves vacuum versatility. Gets into those hard-to-reach places.

# Product Fact Sheet

**Hard Bottom Bag**  
Eliminates premature wear on bottom - standard on KD512HC.

**Shredding Screen**  
(Optional) Part # 890209  
Shreds dry leaves and organic debris to a fraction of its normal size - installs in the housing.

**Caster Kit**  
(Optional) Part # 890412  
greatly adds to the maneuverability of unit when used on hard surfaces.

**Turf Bag**  
(Optional) Part # 890307  
Side panels made of breathable mesh - perfect bag for high moisture, low dust conditions.

**Bag Dust Cover**  
(Optional) Part # 900801  
Covers standard felt bag to force air down, away from the operator - particularly helpful in dry, dusty conditions.

**Impeller**  
Four-bladed 1/4 thick armor plate steel to give season after season of durability.
